

Report: BCKCA 2004 Rules & Annual General Meeting. January 15, 2005

This meeting was held November 13th & 14th 2004 to set the Rules, Regional Classes, Executive and directions for BCKCA for year 2005. Representatives from all of the member clubs were in attendance. What follows is an overview of the outcome of the meeting. For more detailed information, club members are directed to their club representatives who have detailed minutes of the meeting.

1. The 2005 regional championship will consist of two races. Each race will be a two-day event (Saturday and Sunday) only, and will be held on holiday weekends. The first race is at CART BC on May 21 & 22. The second at Cariboo Raceway Park in Quesnel on Sept 3 & 4. It is hoped that by requiring less of a time commitment from racers that we will see bigger turnouts to the events.
2. As 2005 is a new homologation year for tires, a committee was struck to review the new tire compounds and propose a revised tire rule set that will take into account previous tires and be compatible with the 2004 rules.
3. Blue Flag Rule – A driver receiving a waving blue flag is about to be lapped. The driver receiving the waving blue flag must make room to allow the overtaking driver to pass unhindered.
4. Spark plug reach in Honda classes – The maximum reach length measured on a spark plug used in a Honda Class is 0.755 inches.
5. Protest and Appeal fees – The fee for a protest is to be \$150. If the decision is in favor of the protestor a refund of \$125 will be granted. The fee for an appeal of an unsuccessful protest decision is to be \$300. If the appeal decision is in favor of the appellant a refund of \$250 will be granted. A decision not in favor of the protestor or appellant will result in forfeiture of the full fee to BCKCA.
6. Number of BCKCA Championship Classes – The number of classes for the next three years is set at eleven (11).
7. Age eligibility for Junior Licenses –
